MEMBERS SHOWCASE EXTRAVAGANZA
Doors open at 6:30, Mtg begins at 7:00 pm
Thursday • June 8, 2006

Pull out the stops! This meeting is all about YOUR images. Boot up your computer now and cull your best archives for your blockbusters, the awards, and the images that define who YOU are in the world of photographic art. WE WANT TO SEE THEM! BRING THEM IN.

The inventory of mind boggling imagery in SCPS is vast as its diversity: Carol Brody in snow covered Yosemite, Karl Grobl in the midst of civil war in Haiti, Rockwell in front of a broken down motel, Carrie Barton hanging out the door of her helicopter, Rita Spiegel's calendar art, Cline in the streets of Cuba, Theresa Vernetti in India, Cirone crawling through mud to the birds, Jonathan Fennell at Ding Darling, Eric Eilers on a polar icebreaker expedition. This is only a tiny sampling of what defines SCPS as the premier cutting edge photographic group on the planet.

We are opening up the entire evening to enjoy our own art. AND we are raising the maximum number of images per member to 20. Our digital wizard President, Jonathan Fennell, will be loading the images into his laptop, so lets all get there early. Remember that our new super digital projector is very sharp and contrasty, unlike last year's projector.

Our images of this evening will define and explore the next level up in photographic art!

Member Share Digital Guidelines

With more members sharing their digital images (thank you), we have developed a few guidelines to help get the “party started” smoothly. Thank you for your assistance.

1. Please arrive at 6:30 p.m so we can load the images on the computer. The meeting starts at 7:00 and we need all the images ready to go.

2. Members may bring up to 12 images maximum. Please don’t bring additional slides. We have limited time available at the Otto Center. Please be mindful of the amount of time used to talk about your images.

3. Burn a CD with JPGs only. Please label them with your last name (first) and number. Example: Jones1, Jones2, Jones3. This will allow them to be shown in order by artist. Limit file size to 1024w x 768h.
